KING EDWARD ON DECK  
WATCHING BIG REGATTA.Great Fleet Assembles for Racing at Cowes—  
Emperor's Yacht to Start.

COWES, Isle of Wight, Aug. 4.—Regatta week opened with every prospect for a record meeting, and only five days are needed to insure the complete success of the Royal Yacht Squadron's racing.

The presence of the King had caused an added interest to be taken in the event.

There was much speculation as to the performance of the German Emperor's yacht, which was to start her racing flag for the first time in British waters.

FORTUNES WON BY BETTORS  
DURING BRIGHTON MEETING.Senator McCarren Hit the Ring Hard Last Week  
and Is Said to Be \$250,000 Ahead.

The last week of racing at the Brighton Beach track was one which will probably never be forgotten by the bookmakers who did business there. The "bookies" were certainly hard hit by the plungers and the followers of the sport.

One bookmaker, in explaining his hard luck, said: "It's a good thing Brighton has closed, for if it had continued another week we would have been sent to the poorhouse."

Senator McCarren, by the way, is betting more money these days than any of the big plungers. On Thursday last he framed up a series of killings which might have seriously crippled the ring if they had all been successful. He first wagered \$2,000 on his colt Clonmel to win the second race and got 6 to 1 for his money, but Clonmel did not land. Then the Senator bet \$15,000 on his filly Gold Money to win the Produce Stakes

and got 7 to 10, the ring keeping the money, as Eugenia Hurst won. But in the next race the Senator backed his colt Bluff at 4 to 1 to win \$20,000, and succeeded. He followed this up with a commission on his colt Mackey Dwyer in the last race that amounted to about \$1,000 in winnings. If Clonmel and Gold Money had won the rail Brooklynists would have killed the ring with Bluff and Mackey Dwyer.

It is estimated that conservatively Senator McCarren has won close to \$250,000 this year. David Glendon, Pittsburgh Phil, William Barrick and Jesse Lewis are all far ahead of the game. Glendon took \$25,000 out of the ring on Saturday when Sovereign won. Barrick is reported to have cleaned up \$8,000 on the Brighton meeting. Lewisohn won \$2,000 on his filly last Friday. When Ethel won, but was disqualified. Incidentally, the public has fared better than the bookies, numerous bookmakers having been temporarily put out of business.

(Special to The Evening World.)

WASHINGTON PARK, Aug. 4.—Brooklyn and Cincinnati played the second game of their series here this afternoon under ideal conditions.

The beautiful weather and the certainty that they would witness a game desperately played until the last man was out attracted a big crowd of Brooklyn fans. They came early, and cheered long and loudly.

Up to Joe Kelley and his band of "Hibernians" the Cincinnati fans were surprised on the Trolley Dodgers Saturday. The ex-Brooklynite rubbed it in by beating his old comrades in a brilliantly played game, and it was a bitter pill for Hanlon and his men to swallow.

Today the Superbas came to work early and determined to revenge. They were out on the lot long before time for the game and their practice was of the sort that roused the early comers in the bleachers to enthusiasm.

The Cincinnati stars, however, showed up equally as well in their warm-up stunt, and a red-hot struggle was promised. Both teams are closely pressed for their positions in the League race, and the loss of a game meant a lot to them, so it was "Hustle to beat the band, boys," from both captains.

Hanlon made his choice of pitchers after looking over his two best available men, Frank Kitson and Jimmy Hughes. Poole, who has done great work for the Reds since he joined them, was down to do slab duty for the Helms.

Tom Lynch, who was one of the greatest umpires in the National League, made his appearance in that capacity to-day for the first time in three years and received a warm welcome from both the players and spectators.

**First Inning.**  
Kelly lifted a high fly to Dolan. Beckley flied to Keeler. Crawford singled to center and was advanced to third on Seymour's drive to right for a sack. Beckley flied to center and was advanced to third on Seymour's drive to right for a sack. Flood's wild throw to McCreery of Peitz's grounder allowed Crawford to score and Seymour to reach second. Corcoran was thrown out at first by Irwin. One run.

**MISCELLANY.**

The honors were well divided at the weekly championship game of the Brooklyn Athletic Club, which were held yesterday on the grounds of the organization, at Grand Street Park, Maspeth, L. I. Only one of the contestants gained greater honors in more than one event. Harry Kaiser won first place in the "hundred," and running high jump. E. C. Stange was a fine second, finishing but two points behind Kaiser on the day's work. Stange, Dwyer and Bailey were the other winners.

The weekly games of the Arrow Athletic Club, which were held at Maspeth, L. I., on the Brooklyn Athletic Club grounds, produced some interesting finishes. H. Brown, J. B. Carlin and W. H. Lounghin divided the honors of the day, each gaining first place in two of the six events.

The annual regatta of the Canadian Association of Amateur Rowmen began at Brookville, Ont., yesterday. Park of Winthrop, and Graham, of Toronto, won their heats in the Junior singles.

MORNING GALLOPS  
AT SARATOGA.Belmont String Does Good  
Brisk Work—Keene's Stable  
Arrives—Bluff Reels Off  
a Fast Mile.

(Special to The Evening World.)

SARATOGA, N. Y., Aug. 4.—The beautiful course looked every inch a crack racing ground this morning. Trainers and spectators lined the stretch and scores of racers galloped over it at different rates of speed. The course is thronged with racers to the limit of its capacity, and the outlook for a great season was never better.

The extensive J. R. & F. P. Keene string arrived during the night and are now comfortably housed in the establishment's Monmouth stable on the back stretch.

The August Belmont string had a good training day of it and several of them were sent down the line at good speed. Octocorn was sent six furlongs in 1:23. Arab breezed a half in 0:55. Masterman galloped a mile in 1:18. Namtor covered a mile and a furlong in 2:04. Forward turned five furlongs in 1:02 1/2.

W. B. Jennings sent Arabo, Iridus, Krishna, Lapidus and Minerva to good breeding exercise at three parts speed. W. P. Burch allowed Armature and Grey Friar five furlongs in 1:22. Tip the Patterson of the Burns & Waterhouse string, gave Maxine a five-furlong race in 1:04 1/2. E. H. McCarter's Bluff, a colt in the form of the A. J. Jockey, staked from Sheephead Bay, is expected to-night.

**RILEY GRANNAN BACK TO PLAY AT SARATOGA.**

Noted Race Track Planner Says Frenchmen Don't Bet Much.

Riley Grannan, the well-known turf planner, who has been abroad for several months trying to beat the "ponies" in England and France, is back home in France to try his hand at betting on the races at Saratoga.

With Grannan was Jockey "Johnny" Coyle. Speaking of the European racing, he said: "Johnny" Reiff, Milton Henry and Thorpe are making money hand over fist, and it is quite kept up as they are going they will all become as rich as Tod Sloan. Thorpe especially is riding in fine form. McCarter's Bluff is at the head of the list when the season ends. He is third now, but is winning races every week. I rode for Baron Leone, and would have remained in France only for contract expired and it was too late to get another engagement. I won several races on the horse Galion.

Grannan would not talk about his betting abroad, but said there was very little done among the Frenchmen, as no one seemed to have much money.

**BROOKLYN WANTS BECKLEY IN EXCHANGE FOR KELLEY.**

Brush Won't Part with First Base—No Fight Is Threatened.

President Charles Ebbets, of the Brooklyn Club, is talking of making a fight against the Cincinnati Club for the services of First Baseman Jack Beckley. The Brooklyn president claims that Beckley was promised him when he allowed John T. Brush to sign Joe Kelley. Mr. Brush says he has no recollection of any such promise, and he does not intend to part with Beckley. Mr. Brush signed Joe Kelley under the waiver of the reserve rule agreed upon by the League managers regarding all contract transfers.

LORD DERBY WILL  
TROT FOR RIBBON.Great Trotter Will Appear at  
Empire City Track Saturday  
and No Admission Fee  
Will Be Charged.

When Lord Derby, the great trotter, makes his appearance in his one-mile race with C. K. G. Higgins's Louisa Jefferson and probably Fred Gerken's The Monk at the Empire City track at Yonkers on Saturday there will be no \$50,000 stake pending on the result of the race. Instead a blue ribbon is the incentive offered.

E. E. Smathers, owner of Lord Derby, has decided to give the local admirers of trotting a chance to see the great trotter in action, and will himself drive his horse hitched to a wagon.

As admission is free to the track at all times there is every indication that one of the largest crowds of ever witnessed a trot race will be on hand to get a look at Lord Derby.

**HEAVY SHOE CAUSED BORALMA'S DEFEAT.**

Veterinary Surgeon Blames Blacksmith for Trotter's Injury.

HARTFORD, Conn., Aug. 4.—It was learned here last night that the real cause of the unfortunate accident which happened to Boralma in his race with Lord Derby on Saturday was brought home by his near hind foot being overweighted.

Thomas Marsh, the driver of Boralma, and the blacksmith who is employed by the Lawson stable, it is said, had a dispute the day previous to the race in regard to the weighting of the horse. After a heated discussion Marsh finally allowed the blacksmith to have his way, and as a result the overweighting caused the mishap. A veterinary admitted that the overweighting of the horse was the cause of his defeat.

Boralma is scheduled to trot a match against The Abbot Aug. 20, and the hope is expressed that the Lawson horse will be in shape by that time, though nothing definite can be said now.

**TURF.**

Major Deingerfeld, one of the stars of the McLowee stable, may not fill all his rich engagements at the Saratoga meeting. Matt Allen, his trainer, says the clever colt is recalled through his victories during the season, while many of the three-year-olds are allowed from ten to fifteen pounds. "I do not like to have Major Deingerfeld give away so much weight," says Mr. Allen, "and I may not start him in the stakes. I would prefer to wait for the Sheephead Bay meeting, where he has many engagements, among them the Annual Champion Stakes, valued at \$25,000."

Major Deingerfeld was in the Saratoga Handicap, but will not be a starter. Among other engagements at the spa are the \$10,000 Travers Stakes, and the Keener, valued at \$5,000.

While the Brighton meeting was remarkable, inasmuch as the horses ran so true to form, it was no less so on account of the competition between the jockeys. The race of the leaders was close throughout. Heffernan leads, with 17; Tolson is a close second, with 16 to his credit. Then follow in order, Shaw, H. Wonders, 14; Martin, 13; Brown, 12; Smith, 11, and O'Connor, 10. Few meetings will show such a close bunching of the leading riders.

HOBOKENS PLAY GOOD GAME  
AND BEAT REDS AGAIN.

Jersey Team Knocked Ewing Out of Box and Hit Thielman Hard.

The crack Hoboken team, which is playing great ball this season, defeated the Ewing club, of the National League, for the second time this season at the St. George Cricket Grounds, in Hoboken, yesterday. This time the score was 6 to 5. Ewing, the Reds twirler, was batted out of the box by the Jersey men in the first two innings. The Hobokeners scoring three runs. Thielman replaced Ewing in the box in the third inning and held the Jersey men down until the eighth inning, when they scored three more runs. The "Heinies" pulled in the ninth, and won the game by a score of five to three.

**PUGILISM.**

Champion Jim Jeffries fared well in his recent fight with Bob Fitzsimmons, for besides receiving over \$10,000 for defeating Lanky Hob he was also made a present of two large lots of real estate in Los Angeles who own considerable money on him.

Another international battle is slated to be fought in London to-night. The principals in the encounter will be Larry Temple, the colored welter-weight fighter of this vicinity and "Dido" Plumb, the English middle-weight fighter. They are expected to draw a large crowd. The prize money for the fight is \$250 a side and the entire purse will be divided equally between the two fighters. Temple will also give Plumb his quarters.

The twenty-round bout between Jack Root, of Chicago, the middle-weight champion of the West, and George Gardner, of Lowell, Mass., will be decided at Salt Lake, Utah, after all. The promoters have secured a license from the mayor of that city, who has declared that he will not interfere with the contest. The battle will be fought on Aug. 13 instead of the 11th, which was the original date set for the battle. The prize money for the fight is \$250 a side.

men are to fight for a purse of \$5,000, of which the winner will receive \$4,000.

News has just reached this country from England to the effect that Eddie Connelly, the hard-hitting light-weight, of St. John, N. B., who recently beat Pat Daly, the English fighter, during the last carnival at the National League Club of London, defeated another English fighter, Connelly's victim this time was Jack Palmer. Connelly knocked out Palmer in the ninth round with a right swing to the jaw.

"Philadelphia Jack" O'Brien, the holder of the middle-weight and heavy-weight championships of England, is at present in England in search of a new box for the ring. He was at present in England in search of a new box for the ring.
